# LEADERSHIP LINKS AMBASSADOR SPONSORSHIP

**Leadership LINKS, Inc.** was established on August 28, 2015 with a dedicated board of six founding directors who have consistently worked to fulfill the organization's mission to offer leadership education that facilitates impactful living, character and spiritual development. Together, we are growing the Leadership LINKS Network, and equipping servant leaders who are committed to using their skills and resources for the greater good of humanity.

To date, we have completed four (4) "Walk in Purpose" Leadership Summer Program for Girls; two (3) Leadership Experience Tours (LET) in Georgia, Alabama and Virginia; nine (9) college visits, educational programs, or tours; completed four (5) years of the Leadership LINKS Mentoring Program; and two (2) Green and Black Galas. We have offered or created countless opportunities for those within our Leadership LINKS Network, including the sponsorship of four (4) unique global leadership and learning opportunities for LINKS Leaders' mission work in Nigeria, Nepal, Japan, and Israel, and have provided thousands in college scholarship funds.

In August 2022, the organization celebrated its seventh anniversary, and we are now building towards sustainability. Our newest mentoring program, the Leadership LINKS Mentoring Program for Young Women, expanded our program and product offerings to provide leadership education to our multi-ethnic and intergenerational Network in college and early professional careers. **We ask for your consistent financial commitment to maintain the quality of our programming, and to budget for organizational sustainability and growth.**

**Help us raise up the next generation of global leaders.
